2009 DEGREES

Guide to all the best shows

Introduction

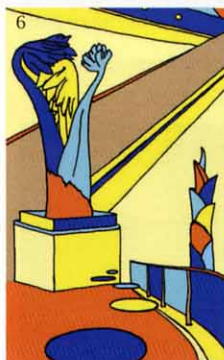

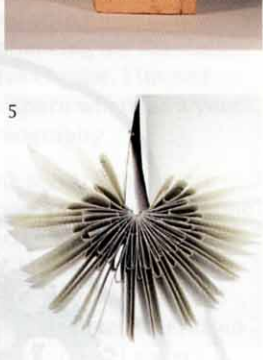

2009 DEGREES showcases all the best graduate art and design shows – see pages 2 and 8-20 with advertising of degree shows around the UK.

In 'School reunion' we re-visit three graduates from our 2003 *a-n Magazine* reviews feature 'School's out' which saw four intrepid a-n contributors reporting back from degree shows around the UK.

To find out what current visual and applied arts students are up to as they work towards degree show time take a look at Degrees unedited – www.a-n.co.uk/degrees_unedited. The site features Blogs from current students (extracts from a selection of the blogs can be found on page 6), reviews of degree shows as they happen, Degree shows what's on with exhibition listings for colleges and universities across the UK (plus all the adverts from this publication) and Online Editor Richard Taylor is on hand with pertinent home page updates and stories for the Degrees unedited community and recent graduates.
